A formal ROI survey found that as a result of the our work within one HHS office "seventy-five percent of clients served said there were improvements in managers' productivity, work group productivity, project completion team communications and service quality. Converting ONLY the tangible benefits to monetary value, results showed that the programs delivered a formal ROI of 70%, equaling approximately \$500,000 in dollars saved and/or productivity improvements, after two years."

BOXER ADVISORS PAST PERFORMANCE

Boxer Advisors is a Maryland based small business and premier provider of strategic human capital management solutions. The Boxer Advisors' team brings superior performance and expertise in providing consulting, coaching and/or training solutions to over 50 Federal agencies and Fortune 1000 companies including the following select clients:

- BAE Systems
- Constellation Energy
- Department of Commerce
- Department of Health and Human Services
- Intelligence Community
- Lockheed Martin
- National Aeronautics and Space Administration
- National Geospatial-Intelligence Agency
- National Security Administration
- The World Health Organization

In addition, over the past 15 years our team has worked extensively within the Intelligence Community including:

- Organized and facilitated several large conferences attended by hundreds of managers and senior executive across the IC
- Produced employee engagement video and developed website to communicate organizations talent engagement and retention strategy
- Developed and facilitated numerous off-site team-building and strategic planning meetings and retreats
- Provided executive coaching services at various levels – GS-15 through SIS Officer Level IV
- Designed and delivered competency based training for managers and employees
- Designed and implemented successful group mentoring program

Our understanding of the Intelligence Community is invaluable to zero in on issues that are critical to the organization. We partner with our clients to find the best solutions at competitive rates to address the most pressing people and organizational needs and help the organization achieve desired outcomes with measureable, lasting results.
